- 5 You're familiar with Rock Holdings, Inc.?
- 6 A. Yes.
- 7 Q. Throughout the course of the deposition, I may refer 8 to Rock Holdings, Inc. as RHI.
- 9
- 10 Q. And you are chairman of RHI?
- 11 A. Yes.
- 12 Q. And how long have you been chairman of RHI?
- A. I don't know how long RHI Technology, that's been 13 14 around, 20 years maybe.
- Q. And are you the primary shareholder -- strike that. 15 16 Are you the majority shareholder of RHI?
 - A. I believe so.

21

- Q. Are you familiar with a fund called the Rocket Community Fund?
- 23
- 24 O. And that is also listed on what we've marked as
- 25 Exhibit 1 and it says you are a cofounder of the

1 Rocket Community Fund and that was founded in 2010.

Page 14

Page 16

- 2 Is that consistent with your recollection?
- 3 A. That sounds about right.
 - Q. And what is the mission of the Rocket Community Fund?
- 5 A. Well, that's part of Rocket Companies really, they set
- 6 it up as a fund to support housing all over the
 - country, nonprofit, it's a nonprofit foundation, and
- 8 also to support nonprofits that are related to housing
- 9 primarily in urban markets.
- 10 Q. And who funds Rocket Community Fund?
 - A. That would come out of either Rocket Companies or RHI or some combination.
- 13 Q. And is there any funding commitment by
 - Rocket Companies, Inc. of the Rocket Community Fund?
 - MR. MORGANROTH: Objection as to form.
 - MS. FOX: Yeah, let me try to phrase that
- 17 another way.
- 18 BY MS. FOX:
- 19 Q. Does Rocket Companies, Inc., to the best of your 20 knowledge, donate any set amount of money to the 21 Rocket Community Fund on an annual basis?
- 22 A. I don't know if it's annual, they do fund it.
- 23 Q. And what is your understanding of how they fund it?
- 24 A. What do you mean by how?
- 25 Q. Is -- is there any minimum funding promised or

Page 15

- 1 Family Foundation?
 - 2 A. They might have overlapped in Detroit, when it comes
 - 3 to giving in Detroit, because Rocket Community Fund
 - 4 supports housing and Gilbert Foundation supports a lot
 - 5 of Detroit causes, so there could be some overlap.
 - 6 Q. Do you currently hold any positions at Rock Ventures?
 - 7 A. I don't know if Rock Ventures is an actual company, I
 - 8 think it's -- we use it as a -- sort of a public
 - facing entity that covers all of our Rock companies or 9
 - 10 all of the businesses, so I don't think there's a
 - 11 formal position there.
 - 12 Q. So would you say that's like the umbrella of your Rock
 - 13 entities?
 - 14 A. I don't know if it's a legal umbrella, but it's sort
 - 15 of a public facing entity that we use and it might --
 - 16 and we may have some -- some kind of administrative
 - people that support the companies that maybe work for
 - 18 Rock Ventures.
 - 19 Q. Here at One Campus Martius you maintain an office;
 - 20 correct?
 - 21

17

- 22 Q. In the 2020 timeframe did you maintain an office here
- 23 at One Campus Martius?
- 24 A. Yes.
- 25 Q. And I want to ask you the same question with respect

1 guaranteed by Rocket Companies to the Rocket Community

2

- 3 A. No, I think it's periodic and I don't think there's 4 any set commitment or annual amount.
- 5 Q. And other than cofounder, what if any is your 6 involvement in the Rocket Community Fund?
- 7 A. There's no other involvement really.
- 8 Q. Is there a board of directors of the Rocket Community 9
- 10
- A. I'm not aware of a separate board. I think just the board of Rocket Companies acts as the board. 11

- 19 A. I don't know.
- 20 Q. And is Laura Grannemann also involved with the Rocket 21 Community Fund?
- A. I don't know that either. I assume she's involved to 22 23 some degree.
- 24 Q. And were the -- was the mission of Rocket Community 25 Fund overlapping with the mission of the Gilbert

- 3 A. Yes.
- 4 Q. In that timeframe, the 2020 and 2021 timeframe, did
- 5 you come to the office for business purposes?
- 6 A. I had a stroke in May of 2019 so it was very periodic

- 8 Q. Would you say in the -- between the time of Rocket
- 9 Company, Inc.'s IPO and March of 2021, you were in the

- 13 A. She's like a second assistant to me.
- 14 Q. A second assistant to you?
- 15 A. Yes.

16

- Q. And let's start with Betsy Stone. In the late 2020,

- 18 handle for you?
- 19 A. Just typical administration -- administrative stuff,
- 20 answering phone calls, answering emails, communicating

- 22 Q. In the late 2020, early 2021 timeframe, in your role
- 23 as chairman of the board of Rocket Companies, did you

- 4 Q. And did Ms. Stone have access to your Rocket Companies

- 20 important, she would communicate them to me, yes.
- 21 Q. And how would she communicate them to you?

- 8 A. Yes, it was messaging on an Apple device.
- 9 Q. And what was -- if you recall, what was the telephone

- 11 A. I don't recall, I don't know.
- 12 Q. Do you know if you've had the same phone number since

- 9 A. I mean, just general business, he was the CEO, so if

- 12 Q. Recognizing that it was both the pandemic and you are
- 13 covering from a stroke, in the late 2020 to 2021

- 16 A. Maybe a couple times a week.
- 17 Q. And would that be via text messaging?
- 18 A. Yes, primarily, yes.
- 19 O. Do you recall if in the late 2020 to 2021 timeframe

- 16
- 17 Q. Do you recall post IPO how often RCI's board of 18 directors met for formal meetings?
- 19 A. I don't recall, no.
- 20 Q. After Rocket Companies went public in August of 2020,
- 21 did you attend Rocket board meetings?
- 22 A. I primarily attended from my house via Zoom or via one 23 of the videoconferencing services.
- 24 Q. And was that because the meetings were held via Zoom?
- A. No, I mean, it was because of my physical condition,

- 1 my rehab -- I was rehabbing, so it was just easier.
- 2 Q. And Jennifer was a member of RCI's board of directors
 - in the 2020 to 2021 timeframe also; correct?
- 4 A. I'm not sure when she was exactly appointed to a board 5 member, so I can't tell you if it's that timeframe.
- 6 Q. My question was going to be did she participate
 - jointly with you in RCI board meetings via Zoom in the
- 8 late 2020 to 2021 timeframe?
- 9 A. I can't recall if she did during that timeframe. I 10 just can't recall.

- 12 and board packages for RCI board meetings in 2020 and
- 13 '21 -- 2021. Are you familiar with those types of
- 14 materials?
- 15 A. We had the typical board materials. We'd either get

 - hours before, sometimes a day or two before, so --
- Q. And -- I'm so sorry. 18
- 19 A. -- so that's it.
- 20 Q. And in connection with your participating remotely in
- 21 RCI board meetings in late 2020 and early 2021, how if
- 22 at all did you access board agenda materials?
- 23 A. Well, generally my assistant, Betsy, would print them 24 off for me or --
- Q. And since --25

- A. -- or a package was delivered to her by either Angelo or Jay or somebody or one of their assistants and then she would give it to me.
 - Q. So let me break that apart a little bit.

Let's take December of 2020, which I know there was an RCI board meeting, for that particular meeting do you recall if Ms. Stone delivered to you or had delivered to you a packet of board materials in advance of the board of directors meeting?

- A. For a specific board meeting in December, I can't recall that, no.
- Q. Was it a regular practice of Betsy Stone's to have the board materials delivered to you in advance of the start of a board of directors meeting in the late 2020 to early 2021 timeframe?

- 11 Q. But for -- strike that.
 - So your testimony is that Ms. Stone sometimes came to your home and assisted you during the course of RCI remote board meetings?

- 20 And who -- who does -- who does that for you? 21 MR. MORGANROTH: Objection as to form.

- 25 it depends on -- they watch kind of the news stuff

- 14 Q. In advance of a tweet going out in the early 2021
- 15 timeframe, were you typically asked to authorize the language of the tweet? 16
- 17 A. No.
- 18 Q. And who had authority to review and authorize tweets 19 on your behalf for the cavsdan Twitter account?
- 20 A. Mike Keenan.
- 21 Q. Mike Keenan. And sitting here today do you recall
- 22 what Mr. Keenan's official title was in early 2021?

A. He's a liaison between the Cavaliers and me.

 - Rocket family of businesses?
- 8 A. No.
- 9 Q. Do you know if the Gilbert Family Foundation
- 10 maintained a Twitter account?
- 11 A. I don't know.
- 12 Q. I've been mentioning in some of my questions the
- 13 August 2020 timeframe. Do you recall that in August

- 15
- 16 Q. Were you part of the decision to take Rocket Companies 17 public?

- 21 Q. And before the company went public, was there a -- a 22 plan for the proceeds of the IPO?

- 9 Who else at RHI was part of the discussions 10 to take Rocket Companies public in August of 2020?
- 11 A. There's not a lot of employees, if there's any 12 employees, at RHI, so it would have been
- 13 Rocket Companies. Jay Farner, myself, CFO Julie Booth 14 at the time.
- Q. Do you know if mat -- do you know -- you mentioned 15 16 Matt Rizik also?

- 11 Q. Did you, Dan Gilbert, have a target in mind for how 12 much you personally hoped that the RCI IPO would 13 raise?
 - MR. MORGANROTH: Objection as to form.
- 15 A. I don't recall exactly, no.
- 16 BY MS. FOX:
- 17 Q. The IPO went forward in August -- on August 6th of 18 2020 and was priced at approximately \$18 per share. 19 Do you recall that?
- 20
 - Q. Was that lower than the company expected?
- 22 A. Yes.
- 23 Q. And do you recall how much lower it was than the
- 24 company expected?
- 25 A. I think we were targeting around 24, \$25 a share. We

Page 39

- 1 hoped we'd get that much.
- 2 Q. At 100 million shares priced at \$18 per share, the
- 3 Rocket IPO raised approximately 1.8 billion; correct?
- 4 A. It sounds like your math's right.
- 5 Q. Okay. Do you know what happened -- strike that. 6 Do you know if the proceeds of the Rocket

- 8 A. I don't know specifically.
- 9 Q. Do you recall having discussions in connection with 10 the planning of the IPO as to whether the proceeds of
- RCI's IPO would be paid to RHI? 11
- 12 A. I don't recall that.
- 13 Q. Was it your understanding that the Rocket -- the 14 RCI IPO proceeds would remain with Rocket Companies?
- 15
 - A. I don't recall specifically how we were going to technically disperse the capital.
- 17 Q. Ultimately some portion of the proceeds of the RCI IPO 18 were distributed to RHI; correct?
- 19 A. I don't recall specifically when or if they were at 20 that time frame.
- 21 Q. Do you recall in March 2021 a distribution of close to 22 \$2 billion from RCI to RHI?
- 23 A. Don't specifically recall that, no.
- 24 Q. Who at RCI, if anyone, would have been responsible for
- 25 determining if a distribution was to be made with the

- 1 IPO proceeds from RCI to RHI?
 - A. Probably Jay Farner and Julie Booth.
 - Q. And sitting here today, you don't recall being part of any discussions about such a distribution?
- 5 A. No, I don't specifically recall that. I mean, over a
- 6 period of time we would move money up to RHI, because
 - we were trying to protect ourselves from liability
- 8 from law firms like yourself who take shots at
 - companies when they have assets at a certain level.
- 10 Q. So when you say, "Over a period of time we would move 11 money up to RHI ... to protect [y]ourselves from
- 12 liability," what was your understanding of what moving
- 13 money up to RCI would do with respect to protecting 14 RCI from liability?
 - MR. MORGANROTH: Objection to the form.

- 18 Q. Sure. You said that periodically you would move money
- 19 up to RHI to protect yourself from liability, I think 20 you meant from plaintiff law firms. Is that -- is
- 21 that what your testimony was?
- 22 A. Yes, because it's become so prevalent that plaintiff
- 23 law firms go after corporations, primarily in their 24 own interest, but we want to protect ourselves from
- 25 the operating business being attacked that way, yes.

Pages 37 to 40

- 6 Q. You testified earlier that you went to law school; 7
- 8 A. Yes.
- 9 Q. And so my question to you is did you have any 10 understanding from a legal standpoint if moving money 11 from RCI to RHI would have somehow alleviated any 12 potential liability for the federal securities
- 13 violations of the federal securities laws? 14 MR. MORGANROTH: Objection as to form.
- 15 A. Not specifically for federal securities laws, but 16 wanted to protect RCI from all kinds of plaintiffs' 17 law firms that attack companies like us for various 18 reasons.
- 19 BY MS. FOX:
- 20 Q. And do you have any understanding that any monies that 21 you moved from RCI to RHI somehow protects RCI from

- Q. And when did you have those discussions?
- 13 A. I don't remember exactly, at some point after the IPO.
 - Q. And tell me about the nature of those discussions.
- 15 A. Well, it was discussions with Jay Farner and
 - Scott Elkins and I told them that they should evaluate
- 17 the marketplace and when they thought we could do a
- 18 secondary or a block sale or a combination, to get us
 - up to the amount we originally targeted, that they
- 20 should do it.
 - Q. And when you say the amount you targeted, are you referring to an amount at or about \$3 billion?
 - A. In total. I'm not sure if that was the number, but a share price, if we have to back it down -- because the share price we wanted to get was 22 to 24 -- or 25 --

- 24 to 25, so whatever that was, subtracted from -- to 1 2
- 3 Q. So -- so in these discussions you're talking about
- 4 with Scott Elkins and Jay Farner, did you discuss a
- 5 specific -- a specific dollar amount of a secondary 6 offering that you would be interested in entertaining?
 - A. Well, whatever the shortfall was from the original target, that was the amount that they were instructed
- 9 to evaluate to potentially do a secondary for and/or 10 block sale.
- 11 Q. And just doing very rough math that you don't have to 12 agree with, you think we're talking about
- 13 approximately a billion dollars of a secondary
- 14 offering? Is what you authorized Farner and Elkins to 15 look into?
 - A. I can't recall what the number was specifically.
- 17 Q. In connection with those discussions about a secondary 18 offering, do you know if RCI engaged any investment 19 bankers to explore that possibility?
- 20 A. I don't know if they did, because they had the 21 authority to do so. I assume they probably talked to 22 a couple investment bankers.
- 23 O. And do you recall if these conversations you had with 24 Farner and Elkins were in the late 2020 timeframe 25 after the RCI IPO?

- A. It was after the IPO, I can't recall exactly when
- 3 Q. And you gave your approval, at least in concept, to 4 the idea of looking into a secondary offering of RCI 5 stock; correct?
- 6 A. Correct.
- 7 Q. And during the latter half of 2020, did you have
- 8 additional discussions, after those initial
- 9 discussions, with Mr. Farner about the -- any updates 10 about whether a secondary offering was possible?
 - A. I don't recall specific discussions.
- 12 Q. And do you recall any general discussions on the topic 13 of whether a secondary offering was possible for RCI 14 in the latter half of 2020?
- 15 A. I don't recall on the time frames. I mean, that first 16 initial discussion was about them going ahead and 17 having the right to go do a secondary offering and/or 18 block sale and I don't recall if I got updates or when 19 I did get updates.
- 20 Q. You mentioned something called a block sale. What is 21 your understanding of what that is?
- 22 A. Well, sometimes these investment bankers will bring 23 you a large -- you know, they have a customer or a 24 client that needs to buy or sell a big amount of 25 stock, so, or a large amount of stock and they call

Page 45 Page 46 1 that a block sale, I believe. 1 Q. And if I told you you were a recipient of the Compass 2 2 Q. And that's an off-market transaction -report, would that surprise you? 3 3 A. - Q. Do you recall if it was over \$1 billion? 11
- 12 A. I don't know.

- 13 Q. Do you know -- strike that.
- 14 Would Julie Booth have been a part of the 15 decision of how much of a distribution RCI was to pay to RHI in late 2020 or early 2021? 16
- 17 A. Yes, Julie Booth and Jay Farner, yes. Again, I 18 couldn't tell you the timeframe, though, exactly.
- 19 Q. Before the timeframe that RCI paid RHI in late 2020 or 20 early 2021, did you have a discussion with Mr. Farner 21 about what the size of that distribution would be?
 - A. I don't recall.
- 23 Q. Did you ask Mr. Farner to provide RHI with liquidity 24 in the post IPO timeframe?
 - A. I don't recall specifically.

Q. Do you recall generally having a conversation with

2 Mr. Farner about providing RHI with liquidity for --3 for your commitments?

MR. MORGANROTH: Objection as to form.

- 5 A. I mean, periodically we'd have discussions about when 6 and -- how much money the operating businesses need or
- 7 didn't need. After -- if we thought there was over --
- 8 if they were overly capitalized, we'd move the excess
 - to RHI for the reasons I spelled out earlier.
- 10 BY MS. FOX:
- 11 Q. And you said if they were overly capitalized?
- 12 A. Yeah.
- 13 Q. Who determined if -- if and when RCI was overly 14 capitalized?
- 15 A. Well, that would be Jay and Julie.
- 16 Q. And do you recall being a part of any discussions post 17
 - IPO that RCI was overly capitalized?
- 18 A. I don't recall, no.
- 19 Q. Do you recall if there was -- strike that.
- 20 Would RCI make annual distributions to RHI 21 in the 2020-2021 timeframe?
- 22 A. First of all, I couldn't tell you about the timeframe,
- 23 but no, it would be periodic. There were no annual 24
- distributions like that.
- 25 Q. And when you say the word periodic, do you actually

- Q. So you mentioned in response to the guestion that I asked that you believe there was a distribution from RCI to RHI. Do you sitting here right now recall the timeframe of that distribution?
- 6 A. Yeah, we would have discussions, Jay, myself, Julie, 7 about RHI and should we distribute to the shareholders 8 and when.

- 9 Q. And you recall those discussions before this
- Q. Okay, do you -- let me ask it as a new question then. Do you recall if there was a distribution of RCI to RHI post IPO?

- A. I don't recall specifically how much and what dates 15 there was one, but I -- I believe there was one. 16
- 14 O. And Jav Farner, did he have any title within RHI?
- Q. And what is the basis for your belief that there was

4 A. What page are you on? Page 2, 3?

- 4 Q. And it lists Jay Farner as the CEO and president of 5 RHI?
- 5 Q. Page 2, which ends -- it's page 2 of 9. THE WITNESS: Is this 2? So where is RHI 6 7 on here?
- 6 A. Yes.
- 8 MR. MORGANROTH: Right there. 9 THE WITNESS: Okay.
- 7 Q. And it lists Matthew Rizik as treasurer and CFO of 8 RHI?
- 10 A. So you're asking me in the left rectangular shape? MR. MORGANROTH: What timeframe are you 11

- 10 Q. And it lists Jeff Morganroth as general counsel and 11 secretary of RHI?
- 14 Q. The document bears a date as of September 27, 2021, so 15 my question to you is does this refresh your recollection as to the directors and officers of RHI 16
- 12 A. Yes.

A. Well, it looks accurate, I just couldn't tell you

at least as of September 27th of 2021?

- 13 Q. And do you have -- and do you know if these were the 14 directors and officers as of March of 2021 of RHI?

- 20 A. Well, I assume it was 75 percent of the proceeds, 21 because it was 75 percent shareholder, so I don't know
- 22 Q. And do you see the directors include yourself, 23 Mr. Farner, Mr. Rizik, and your wife, Jennifer

If you can turn to page 2, there is an equity distribution of approximately \$2 billion. And this document is rather small and there was a possibility that we were going to be using a computer, so I thought that you could enlarge the size. This is silly, but if you need -- I brought a magnifying glass --

- 16 A. Notice the numbers and the letters.

- 5 A. If you can just refer to the letters and the numbers, 6 do you see how you get to that?
 - Q. Certainly.

8 And why don't we first go to the last page 9 of Rizik Exhibit 11, which has the Bates number 10 Rocket_Michigan 30485.

- 11 A. Which page is this?
 - Q. The very last page, if you turn it to the back.
- 13
- 14 Q. There is something called RHI shareholders 15 distribution statement 3/19/21?
- 16 A. Yes, I see it.
- 17 Q. And do you see on line 7 it says distribution amount 18 on an equivalent pre-tax basis?
- 19
- 20 And the amount to be distributed looks like 228. Is 21 that million dollars?
- 22 A. Yes, that's what that number would be.
- 23 Q. And the distribution amount above that on line 6 is 24 129 -- I'm sorry, \$125.9 million; do you see that?
- 25

Page 67

- Q. Does this refresh your recollection at all as to the size of the RHI distribution in March of 2021?
 - A. Talking about to me or the total distribution?
- 4 MR. MORGANROTH: I'm going to object as to 5 form.
- 6 BY MS. FOX:
- 7 Q. No, I'm talking about the overall amount that -- well, 8 let's strike that.

This page, do you have an understanding that this page only reflects the amount distributed to -- to the Dan Gilbert Trust?

- 12 That's what it looks like.
 - Q. So this is not an overall distribution, but it is just the distribution of what looks like -- if I can turn you back to the other page, what you called a bingo page, line 2?

17 MR. MORGANROTH: Which -- are you looking

18 at the colored page?

THE WITNESS: Yes, she is.

MS. FOX: The color coded page, yes.

21 MR. MORGANROTH: Okay. 22 THE WITNESS: I'll get there.

- 23 A. Line 2?
- 24 BY MS. FOX:
- 25 Q. So my question was if your understanding if the last

- 1 page was simply to reflect a distribution to one of
 - the shareholders, the shareholder which is listed in
 - line 2 of the color coded page?
- 4

2

3

5

- Q. Okay. So here on the color coded page, as I
- 6 mentioned, it says equity distribution of
- 7 approximately \$2.0 billion, ownership as of March 16,
- 8 2021.
- 9 A. Where are you looking -- line 2, what column are you 10 looking at?
- 11 Q. Right now I'm looking at the title of this document in 12 the left-hand corner above column A.
- 13 A. Yes. Yeah, that's equity distribution, correct.
- 14 Q. And does this refresh your recollection that 15 approximately \$2 billion was distributed to RHI
- 16 shareholders in March of 2021?
- 17 A. Yes.
- 18 Q. And if you look at row 9, do you recall -- strike 19

20 If you look at row 9, it says that 21 Dan Gilbert, meaning you and in your own name and in

22 the trusts, which are listed on lines 2 to 8, received 23 a total distribution of \$1,532,957,548.20; do you see

24 that?

25 A. Yes, I do.

Pages 65 to 68

Q. Does that -- is that consistent with your recollection 1 2 of the size of the distribution made to you and to the

3 trusts in your name in March of 2021?

4 A. Again, I can't recall the date. If it was March of 5 2021, I don't recall that, but that distribution's

6 generally accurate, yes.

Q. And if you go down to line 45, it says that Mr. Rizik received a distribution of approximately -- that would

be line 45, column D, \$4.64 million? I'm sorry, let

10 me -- yeah, 4. -- let me try that again.

16 Q. And do you see that -- who is -- you said earlier

17 Angelo Vitale was general counsel at RCI?

18

22

19 Q. Did Mr. Vitale have a general counsel role at RHI?

20 A. Once again, RHI didn't really have an operating 21

business or operating company so we never really -- we

never really identified people on a day-to-day people

23 who worked for RHI, and most people work for Rock

24 Companies, except those officers that you saw there

Q. Line 44 says that Mr. Vitale, the general counsel of

8 Q. -- million; correct?

9 A. Correct.

10 Q. And Julie Booth in line 46 received a distribution

from RHI of \$3.921 million?

12 A. Yes.

13 Q. And Mr. Elkins, line 52, received a distribution of 14

approximately \$2.4 million?

15

16 Q. And again, you -- in your mind you don't -- strike

18 Do you recall if this was the only 19

distribution in 2021 by RHI to its shareholder?

20 A. I don't recall in that timeframe how many

distributions we did or if this was the only one.

22 Q. You mentioned earlier that you recall that you had an

23 approximate 75 percent interest in RHI. If I could

24 draw your attention to row 9, column C, there is a 25

number that is 76.65 percent. Is -- does that refresh

Page 71

1 your recollection of your ownership interest in RHI as

2 of March 16, 2021? 3 A. You're saying it says 75-point what?

4 Q. I think it says 76.65 percent.

5 A. Yep, so that's -- that's approximately accurate.

6 Q. Okay. And at the top of column D, it says -- it

7 mentions the \$2 billion distribution and it says that

8 the distribution is at \$60.33 per share. Do you see

9 that?

10 A. Yes.

17

18

19

20

21

22

23

11 Q. Do you know how that amount was arrived at?

12 A. How -- the amount of distribution was arrived at?

13 Q. No, the per share valuation of the distribution.

14 A. Well, once we decide the dollar amount of the 15 distribution, we back it out and see what that comes 16 out to per share.

Q. Earlier we spoke of the fact that you had authorized Mr. Farner and Mr. Elkins to look into whether a secondary offering of RCI's stock was feasible in late 2020, early 2021. Do you know if by March 16, 2021 such an offering had been completed?

MR. MORGANROTH: I'm going to object to the form as mischaracterizing his testimony.

24 A. You want to know if we completed a secondary offering 25 by this time? I don't think we ever completed a

1 secondary offering, so no.

2 BY MS. FOX:

3 Q. Do you know if any -- you referred to them as private 4 block trades of RCI stock had occurred by March 16th

of 2021?

6 A. No, I don't know if it occurred by that date or not.

Q. Do you recall having any conversations in March of

8 2021 regarding a private block sale of Rocket -- RCI

9

10 A. As I stated earlier, after the IPO I gave them sort of

11 carte blanche to try to make up the difference from

what we didn't get in the IPO compared to what we did,

13

14 Q. And my question to you is do you know if that happened 15 by March 16th of 2021?

16 A. Well, we never did a secondary offering so that did 17

not happen, and I believe there was a block sale, I iust don't know what the date was.

19 Q. In the March of 2021 timeframe, do you recall having 20 any conversations with Mr. Farner regarding what price 21 you would be comfortable doing a secondary offering

- 1 this sound consistent with your recollection?
 - A. What tweet of Mr. Farner are we talking about?
- 3 Q. Sure, so in -- on March 17, 2021, Mr. Farner tweeted, 4 "Great news. Rocket Pro TPO has increased its market 5 share. In the weeks since UWM's ultimatum to brokers, 6 more than 8,000 independent brokers have rejected 7 becoming a controlled UWM branch. The results? 8 Volume is up significantly at Rocket Pro TPO! Thank 9 you partners." And then the number #brokerscan.

That was a tweet by Mr. Farner on March 17th of 2021.

- 12 A. Are you asking if I recall retweeting that?
- 13 Q. Yes.
- 14 A. No, I don't think I retweeted that.
 - Q. And your interrogatory responses state, "Mr. Gilbert states that he did not make the statement referenced" on interrogatory 1, which is the statement I just read to you. "Rather, the personnel responsible for Mr. Gilbert's Twitter account retweeted the statement on March 19th after had it posted on Twitter by Mr. Farner on March 17, 2021. personnel responsible for his Twitter account

> Is that consistent with your recollection of the retweet on March 19th of 2021?

- A. So it's basically saying that I did not retweet it or I did not direct anyone to retweet it? That's accurate.
- 7 Q. Yes, okay.

And between -- strike that.

The UWM ultimatum I'll represent to you was made on March 4th of 2021 and this retweet was on March 19th of 2021. During that timeframe, did you have any discussions with Mr. Farner about Mr. Farner issuing a tweet in response to the ultimatum?

- 14 A. Not that I recall, no.
- 15 Q. Did you have any discussions during that March 4 to March 19 timeframe with anyone else at RCI regarding Mr. Farner issuing a tweet in response to the 18 ultimatum?
- 19 A. No.
- 20 Q. Do you -- sitting here right today, do you recall if 21 it was Mr. Keenan who retweeted Mr. Farner's March 17, 22 2021 tweet regarding the ultimatum?
- 23 MR. MORGANROTH: Objection as to form and 24 foundation.

1 don't recall the retweet, if there was one.

BY MS. FOX:

- 3 Q. After the retweet appeared in your Twitter account, 4 did you inquire as to who retweeted that tweet?
 - A. No, I didn't really review my Twitter account very often. Only when somebody tweeted for -- if Mike tweeted for me, he would send -- he'd take a picture of it and send it to me, but I don't recall getting any kind of notification that he retweeted it from my account, especially Jay's tweet. I mean, that would be unusual -- highly unusual that he would retweet on his own a tweet from Jay in my account.

 - Q. If you can -- if you look again in Table 1, the third row, it says, "Class A common stock transaction date March 29, 2021, sold 20.2 million shares of stock at \$24.75," and then there is a footnote by the S, it's footnote 6, and if you turn over Exhibit 6, there is the same footnote that we read from Exhibit 5, and

I'll read that in the record.

"These shares were sold in a private transaction (the reported sale). Rocket Companies' chairman, Dan Gilbert, the largest investor in RHI, plans to use his portion of the proceeds to help fund his recently announced \$500 million commitment to revitalizing Detroit neighborhoods. Following the sale RHI, continues to maintain approximately 93 percent interest in Rocket Companies."

- 13 A. No, I did not -- don't recall authorizing it, I just

- 10 Q. And I think you testified earlier you're not sure if that's what happened with the proceeds of the block 12 sale, you're not sure if they got dividend out to RHI?
 - A. Well, again, it's hard to say that as well, because if the 500 million went to RHI, RHI had way more than that in their bank account, so it's hard to say if that money got specifically dividended out.
 - Q. And sitting here today, you don't recall if RHI made a distribution of the \$500 million from the private block trade to its shareholders?
- 20 A. Not specifically the 500 million, no.
